Raj Mata Jijau Jayanti 12 Jan 2021

History always remembers the significance of man but there were many women who left such an impact on history that even today their praise is sung, bravery is remembered. One such magnificent person of women"s valour was Jijamata.

SPIOM observed the Birth Anniversary of Jijamata in the honour of the great lady for her contribution to the life of her son, Chhatrapati Shivaji Maharaj. She was the source of information and motivation not only for her son but for the whole Maratha Empire and our country. The foundation of an independent Hindu nation was created by her son Shivaji Maharaj who made the dream come true. She was a daughter of a noble of Ahmednagar, LakhojiJadhav. Jijabai was born to LakhojirajeJadhav in Sindkhed territory of Vidharbh, Maharashtra in the year 1598 A.D. She was affectionately called as „Jijau". Lakhojiraje Yadav was a Yadava, traditionally the rules of Devgiri. So, Jijau was actually the princess of Devgiri. She married to Shahaji Bhosale at very early age.Jijabai taught her son stories of bravery from ancient scriptures. She gave importance to martial art, to equip him for the role she nurtured Shivaji to play Program started with a garlanding and candle lightening to the photograph of Rajmata Jijau by principal mam, all faculty members and students.

Dr. Sarvepalli Radhakrishnan Jayanti 5th September 2021

Sarvepalli Radhakrishnan was a scholar, politician, philosopher, and statesman from India. He served as India's first Vice President and second President. Radhakrishnan spent his life and career as a writer attempting to describe, defend, and propagate his faith, which he referred to variously as Hinduism, Vedanta, and the religion of the Spirit. He wanted to show that his Hinduism was philosophically sound as well as ethically viable. He often seems to be at ease in both Indian and Western philosophical contexts, and he draws on both Western and Indian sources in his prose. As a result, Radhakrishnan has been hailed as a symbol of Hinduism to the West in academic circles.

SPIOM celebrate the Birth Anniversary in without the presence of students due to covid pandemic only few teaching and non-teaching staffs ware present to this Programme.
